

## VERITAS Rosa - Maximum sewing fun with great power

Thanks to its 23 stitch programs, the VERITAS Rosa is perfect for versatile sewing. Pattern selection is quick and easy using the stitch selection wheel.

From sturdy utility stitches to elastic seams, the powerful motor of this sewing machine does it all. Even heavy fabrics can be sewn effortlessly with this machine. A clean and neat stitch pattern is guaranteed by the feed dog, which works exactly. The automatic needle threader and the thread cutter additionally facilitate the sewing process and guarantee optimum sewing pleasure.

### Full power for perfect results

The VERITAS Rosa is a real powerhouse: With the powerful motor, even multi-layer fabrics can be sewn easily. While the feed dog works so evenly and precisely, that it always creates a regular seam pattern without length differences between the top and bottom layers of fabric. Thanks to the robust and extremely low-vibration housing, it is easy to keep a steady hand, even with delicate work.

### Saves time for your real tasks

If you work creatively, you should not be burdened by trivialities. The VERITAS Rosa does many of these things in the blink of an eye. With the threading assistant, the thread is threaded in seconds. The automatic winding programme ensures absolute safety, because needle and hand wheel remain stationary during the winding. The automatic thread tension neatens sewing results with uniform seams, without accidental ruffling or tangling of threads.

### Suited to everything

The VERITAS Rosa is a real allround talent. No matter whether elastic seams for light and stretchable fabrics or solid seams for particularly stressed positions with heavy fabrics, this machine sews everything. Stitch programmes can be variably set for stitch length and width, and the high force of the strong motor penetrates even denim and poplin.

### A great activist

Rosa Louise Parks was an American civil rights activist. The African-American was arrested on December 1, 1955 in Montgomery, Alabama, for refusing to vacate her seat on the bus for a white passenger. This triggered the bus boycott of Montgomery, which is considered the beginning of the black civil rights movement that brought about the end of so-called segregation.
