

## VERITAS Emily - 80 stitch programs enable perfect sewing fun

With its 80 stitch programs, the VERITAS Emily offers sewing pleasure at the highest level and there are no limits to creativity.

It features practical elastic and overlock stitches, 3 different types of buttonholes and numerous quilting and decorative stitches. Each program is pre-programmed with the optimum stitch width and length and the automatic thread tensioner also ensures clean stitches. The threading aid, as well as the sewing button ensure relaxed sewing and top results.

### Set up from head to toe for creativity

No matter whether decorations for sets or table cloths, smart hems of dresses or unique creations - there is nothing, which is not possible with the VERITAS Emily. The glare-free LED light allows a perfect view of the work at all times. This allows you to be in control even at a late hour, and quickly reach your perfect result.

### Does the work, provides the pleasure

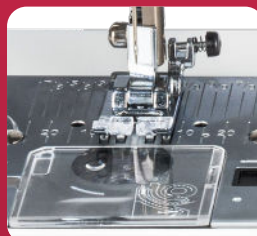

With the ingenious darning function, holes are repaired in no time. Thanks to its practical functions, the VERITAS Emily does many work steps almost by itself and gives you precious time to devote to your sewing passion. Especially practical is the needle threader, with which one does not have to thread for a long time, but can start right away.

### The matching hole for every button

The variety of buttons in the world is almost infinite. So why always sew the same buttonhole? Because individuality starts with the details, the VERITAS Emily comes up trumps with different types of buttonholes. This sewing machine rewards the joy of experimentation - after the first few attempts you master the automatic buttonhole machine and sew buttonholes like a pro.
