

brother SKiTCH.

A new era

IN EMBROIDERY INNOVATION

Artspira

YOUR DESIGNS,
YOUR CHOICE,
YOUR STYLE.

The Brother Skitch PP1 free arm, single needle embroidery machine: connected, compact creativity at its best.

Powered by Artspira*, it's perfect for first time embroiderers and experienced crafters alike.

The 100 x 100mm working area, free arm, included smart magnetic embroidery frame and camera positioning feature make sharing your style easier than ever before.

* Brother Artspira embroidery and cutting design app is free to download and use for all current Brother wireless embroidery and cutting machine users. However, some features of the app must be purchased via the Artspira+ subscription and may be limited dependent on resident country. See in-app for more details.
