

COMEL MP/F

Professional Rectangular Ironing Table

Industrial vacuum and heated ironing table with integrated boiler system. Designed for textile production, dry cleaners and professional finishing departments.

Reliable. Industrial. Built for continuous operation.

PROFESSIONAL PERFORMANCE

The MP/F is a rectangular vacuum and heated ironing table designed for industrial use. Equipped with integrated boiler, feeding pump and professional steam iron, it ensures stable pressure and consistent finishing results. The MP/A version is boilerless and designed to be connected to a central steam source.

KEY FEATURES

- Heated and vacuuming working surface
- Integrated boiler (MP/F)
- 3 BAR working pressure
- Professional 800 W steam iron

- Industrial heavy-duty construction
- Optional sleeve arm, steam gun or second iron

TECHNICAL DATA – MP/F

Specification	Value
Voltage	380 V
Working Pressure	3 BAR
Boiler Power	3.3 – 4 kW
Board Power	2 kW
Iron Power	800 W
Net Weight	130 kg
Packaging Size	127 x 76 x 92 cm
